Criglar House

Located in the heart of Marianna on Lafayette Street is the old Ely Mansion, now known as the Criglar House. Built in the latter part of the 1830's, this beautiful house is shaded by elms, cedars, and large oaks festooned with garlands of Spanish moss. It stands with an air of gracious serenity, which sets apart houses of its era.

Originally the large hand-hewn brick and frame structure of fourteen rooms consisted of a central section and two side-wings. The four large columns across the front are square instead of the usual round ones associated with Greek Revival architecture. Also of interest is the opens on the second floor balcony directly above. Though the wings have been removed, the house still boasts a splendor unrivaled in the city.

At first there were two kitchens, one a summer kitchen built away from the house, and the other in the east wing with an enormous fireplace and brick hearth which extended over a large area of the kitchen floor. A limerock smokehouse extended from the back of the house. Also a part of the original place was a two-roomed limerock building, later used as a schoolhouse. Large wrought

the road in a wooded area. Instead of a wine cellar, known in many ante-bellum homes, there was a wine room in the half story of the west wing.

Constructed by Francis R. Ely, a pioneer planter and businessman, the house has been connected with some of the finest families in Jackson County and the South. Mr. Ely's wife was of the famous Virginia Randolphs, one of his daughters married the grandson of Patrick Henry, and one of his sons married the daughter of Florida's Civil War governor, John Milton of Marianna. After the war and Reconstruction, in 1888, the house passed from Ely hands and was eventually purchased in 1900 by its present owner, Mrs. Joseph M. Criglar, who, with her family has occupied the house for sixty years, longer than any prior owner.

The atmosphere of a hundred years prevails over this old home as can be seen from the weathered exterior, the furnishings of mahogany that have mellowed through the years, and Criglar family heirlooms such as the historic portraits adorning the walls. In recent years many of the ante-bellum homes in this area have been torn down to make way for newer, more modern buildings, but the old Ely Mansion stands, still a stately monument to Jackson County's intriguing past.

Bellamy Plantation

Perhaps some of the members of our elder generation might well remember the old E. C. Bellamy mansion as one of the first of the magnificent homes built in the country. The architecture of the large two-story brick structure was of the Doric order, placing special emphasis on the broad steps extending the full length of the front veranda and the stately white columns. The Bellamy mansion was built on a hill, surrounded by a thick grove, and was approached by a road lined with Lombardy poplars and spreading oaks. The ornate, fan-shaped lights located above the wide front doors and the center hall into which these doors opened was, as the old folks chose to say, "wide enough to drive in a two-mule team." Colonial design prevailed in the marble mantels found throughout the home. The furnishings were luxur-

St. Luke's Episcopal Church
Site Of The Battle Of Marianna

St. Luke's Episcopal Church was organized on March 7, 1838, and the first building made of limestone rock, was built in 1851. Because of the poor quality of the rock, however, this building was soon condemned and another was not completed until May 17, 1863.

This second building was the one which played such an important part in the Battle of Marianna, fought on September 27, 1864. It was on this date that ninety-five elderly men and boys under sixteen, remembered in Jackson County history as the "Cradle and Grave Militia," defended the town.

Federal raiders under General Alexander Asboth, after being held off in their first attempt to break the defender's lines at Ely's Corner, finally forced Captain Jesse A. Norwood's home guards to retreat eastward down Lafayette Street. Reaching the Episcopal Church, the "militia" found themselves encircled by a flanking force from the north. They took cover in the church. Later, when the orders came to burn the church and several surrounding homes, the defenders were forced out by the flames.

Though General Asboth reported a "brilliant victory" for the Federals, it was a moral victory for the "Cradle and Grave Militia," because the Federals were forced to return to Pensacola without capturing the St. Andrews Salt Works as they had planned.

The present St. Luke's Episcopal Church, built on the same site and patterned after the church burned on that day, is a reverent reminder of the Battle of Marianna. This, the fourth edifice built by the church, was erected in 1947.

Al Smith examines the Bible, a cherished possession of the vestry of St. Luke's. The story is told that when the order was given to burn the church, Major Nathan Cutler, U.S.A., succeeded in delaying its execution long enough to afford him time to enter the church and secure the Bible.

Faculty

The teachers compose one of the most important parts of our school —the academic part. Even though they give long homework assignments, pop quizzes, and difficult tests, the students realize that they are teaching us to live in the present and preparing us for the future. At Marianna High each student has respect and affection for his teachers, for these are the ones who are interested in our plans for the future, who want to share our problems, and who are concerned about us.

Marianna High School could never exist without the guidance of the administrators.

For fifteen years our school has been fortunate to have Mr. John L. Stapleton as its supervising principal. Throughout his service to Marianna High he has brought many advancements and improvements to the school. He has stressed the importance of maintaining a high academic record and encouraged students to do their best in all fields under all circumstances.

During his seven years as principal, Mr. D. C. Sellers has also contributed his time, energy, interest, and training to make M.H.S. a fine school. In addition to his supervisory duties, he has the responsibility of keeping the records and financial accounts of clubs and organizations in good order.

Our efficient secretary, Mrs. Betty Woodward, is helpful in understanding to all teachers and students. Her out-going personality creates an enjoyable atmosphere for everyone who enters the office. Mrs. Woodward is the "bright spot" of our school.

Classes

Academic work is our main interest at M.H.S. Many students prepare for particular vocations by taking courses in D.C.T., F.F.A., and commercial subjects. Others plan to enter college and concentrate on language, math, history, and science. To become well rounded individuals, the students take advantage of music, speech, and physical education courses.

Classes *Uphold Academic Interest*

The students at Marianna High do not seek to achieve an education from books alone, but also from associating with others by participating in various activities, by developing good citizenship, and by trying to be good students in every aspect of education.

The teachers mean much to us at M.H.S.—teachers to whom we tell our problems, our difficulties, our cares . . . those who have encouraged us, given us pep talks, and believed in us—the ones who have laughed with us and watched us shed our tears. Yes, these are the teachers, our indescribable friends who have tried to understand us and our indifferent ways.

The students have played an outstanding part in giving M.H.S. its good reputation, its friendly atmosphere, and its extraordinary unity of spirit. The students have accepted responsibilities, worked hard on school work, and spent long hours after school doing their part, often more than their part, for our school.

The teachers and students together are Marianna High . . . the school that we all respect and love.

The chemistry II classes have been a great success, especially to those who wish to further their scientific career. In the lab with Mrs. McMullian are her lab assistants—Walter Spence, Joe Butler, Frank Kozel, David Grombeck, Joyner Sims, and Larry Harris.

Jerry, Hilson, and Carlos observe a ripple tank demonstration as Mr. Mitchell instructs them on the wave characteristics of light.

John Wright's helping Gail Barnard dissect this crayfish proves that girls are interested in biology also.

Organizations

Work, interest, and response to duty determine just how successful each organization will be in its undertakings.

These organizations are vital parts of M.H.S. life . . . organizations that are beneficial and worthwhile. For each student in our school there is an organization to suit his interests and tastes.

These organizations add hours of enjoyment and pleasure as well as work and worry. They help one to gain experience in learning to get along with others. As members of these organizations, students are faced with certain responsibilities; and as dependable persons they accomplish these specific duties, for they realize that with responsibilities go privileges and the satisfaction of a job well done.

The service projects included assisting in the selling of Christmas seals, giving needy families Thanksgiving and Christmas boxes, sponsoring a New Year's Eve Dance, distributing trash cans around school, entering a car in the Homecoming parade, and helping the City Recreation Incorporated.

The Anchor Club was host to the Regional Anchor Convention held at Chipola Junior College, October 22, 1960. Approximately seventy girls from surrounding cities attended.

Mrs. Kitty Majure is sponsor of the club.

Marianna High School Band

Throughout every phase of the school year, the M.H.S. Band furnishes music for all types of school and community events.

Last summer marked the second year of the Marianna High's Band camp held in August. This camp has become an outstanding feature of the band year, a feature that stimulates interest and enthusiasm.

The band, under the direction of Mr. Herman Carr, has improved and progressed rapidly this year. In addition to performing at all the home football games, the band participated in many special events, including Kids' Day, Homecoming, F.S.U. Band Day, Governor Bryant's Inaugural parade, Christmas parade, and the County Band Clinic which was held in Marianna.

This year the band was host to the Florida Bandmaster's 6th District Band Festival. Band projects for the year were selling programs at home football games, and sponsoring a movie at the local theater.

The band is to be commended for the extraordinary work it has accomplished this year.

Our Marianna High School Student Council is the oldest and most active leadership organization in the school. The main purposes of the organization are to represent the entire student body, to cope with school problems, to provide a training ground for citizenship, and to promote the general welfare of the school.

Many of the projects of the Student Council included chartering buses to football games, purchasing a Bulldog sign, selling booster ribbons, painting curb addresses, presenting annual Student Council plays, selling Bulldog sweat shirts, providing information packets for new students, keeping a scrapbook of school events, sponsoring an orientation program for new students, writing an article titled "M.H.S. Spotlight" concerning school activities for local paper, filming 1960 Homecoming, and sponsoring Derby Day, all Homecoming festivities, and Student-Teacher day.

This year's council has worked extremely hard to maintain and carry out all projects, activities, and responsibilities.

The 1960-61 Student Council has been earnestly guided by Miss Roberta Carter and Coach Cox, sponsors.

Velma sees why Larry always sells papers with customers like these.

"Good morning, this is Teenager Speaks . . ." The Student Council radio staff—Eunice Milton, Lewis Shelley, Juddy Stephenson, and Pat Streetman—prepares for its Saturday morning broadcast.

In spite of the confusion, the hard work, and the late hours, there is still the fun, the memories, and the satisfaction of a job well done.

The Marianna High School yearbook staff strives to present a record of events of the entire school year, to create a memory book as well as a reference book for students. The main objective of the staff is to produce the best possible annual that time, talent, and budget permit.

This year's staff is commemorating the Centennial of the War Between the States. The members of the staff have produced a book of history which gives glimpses of early Jackson County history as related to the period of the War Between the States.

Every member of the staff gains much valuable experience from the work he performs, and from the leadership displayed by the sponsors, Miss Margaret Gramling and Mr. Billy Grant.

Under the leadership of Mrs. Leila McMullian, the Science Club of M.H.S. has become an important part of our school. The club was organized in 1959 because of the extraordinary interest in science shown by the students of our school. The purpose of the organization is to promote an interest in science and to afford interested students the opportunity of scientific competition.

At the Junior Academy of Science convention held in Lakeland, in February, 1960, six Marianna students won certificates of merit for their research papers. The winners were Hugh Fellows, third place winner; Beth Garraway, Frank Kozel, David Gronbeck, Joe Butler, and Jimmy Brooks, honorable mention winners. The Marianna High School Junior Academy served as secretary of the Florida Junior Academy of Science this year.

This year the Science Club also participated in the annual Jackson County Science Fair and was awarded a blue ribbon for placing "best in the show."

"Latini Socii" is an organization at M.H.S. created to help students develop a deeper insight into the life and culture of the ancient Romans. In this study of Latin, students learn to appreciate and understand a great civilization which influenced our present day language and society.

Latin I students spend the first year learning conjugations and declensions as well as acting as "slaves" and serving their "masters"; second year Latin students study Roman history. Latin I students also sell magazines every year in order to finance the annual Latin Banquet which is the highlight of all Latin Club activities. Both Latin I and II classes join at Christmas time to sing carols in the halls and about the campus on the day we dismiss for Christmas Holidays.

During the course of the year, Latin I "slaves" in more ways than one for Latin II.

Advisory Sub-Committee Speaks For Florida Youth

For the first time in the history of M.H.S., a Florida Youth Advisory Council Sub-committee is now functioning. The sub-committee is a branch of the main Governor's Youth Advisory Council of Florida. Its primary purposes are to obtain opinions and ideas from the students of Marianna High School concerning the needs of Florida's youth. The members of the sub-committee promote and encourage creative and worthwhile activities in the school and state.

The committee is composed of twenty-five students from grades seven through twelve. The group studies topics which are called areas of concern and makes suggestions and recommendations to the governor of Florida, the state officials, and the legislature.

The committee also sponsors Florida Youth Week, a week designated to recognize the efforts of youth.

Beth Garraway, Secretary of State of 1960 Girls' State, is secretary of the Florida Youth Advisory Council and organizer of the Marianna division of the council.

School Boy Patrol *Promotes School Safety*

The School Boy Patrol, an essential service group in our school, is always ready to give time and effort to help ensure the safety of M.H.S. students.

Trained and supervised by Mr. John Frank Dial, this group has strived to protect M.H.S. students by directing traffic around our campus before school, at recess, at noon, and after school.

Regardless of the weather conditions, the school boy patrol is constantly on the job.

These boys should be respected and admired for the unselfish time they give in serving others.

Sports

Sports has always played a major role in the school year here at M.H.S. Whether the action is on the gridiron, the court, or the diamond, the fans as well as the players feel the excitement and share in the hopes of winning.

One important factor emphasized by the athletic department is that scholastic achievement go hand in hand with sports participation. The coaches feel that this is a key block in the building of a well-rounded individual.

When this emphasized scholastic program is combined with the wonderful spirit of the fans, the outstanding ability of the players, and a fine coaching staff, nothing but the best may be developed, and that's what we have here at M.H.S.

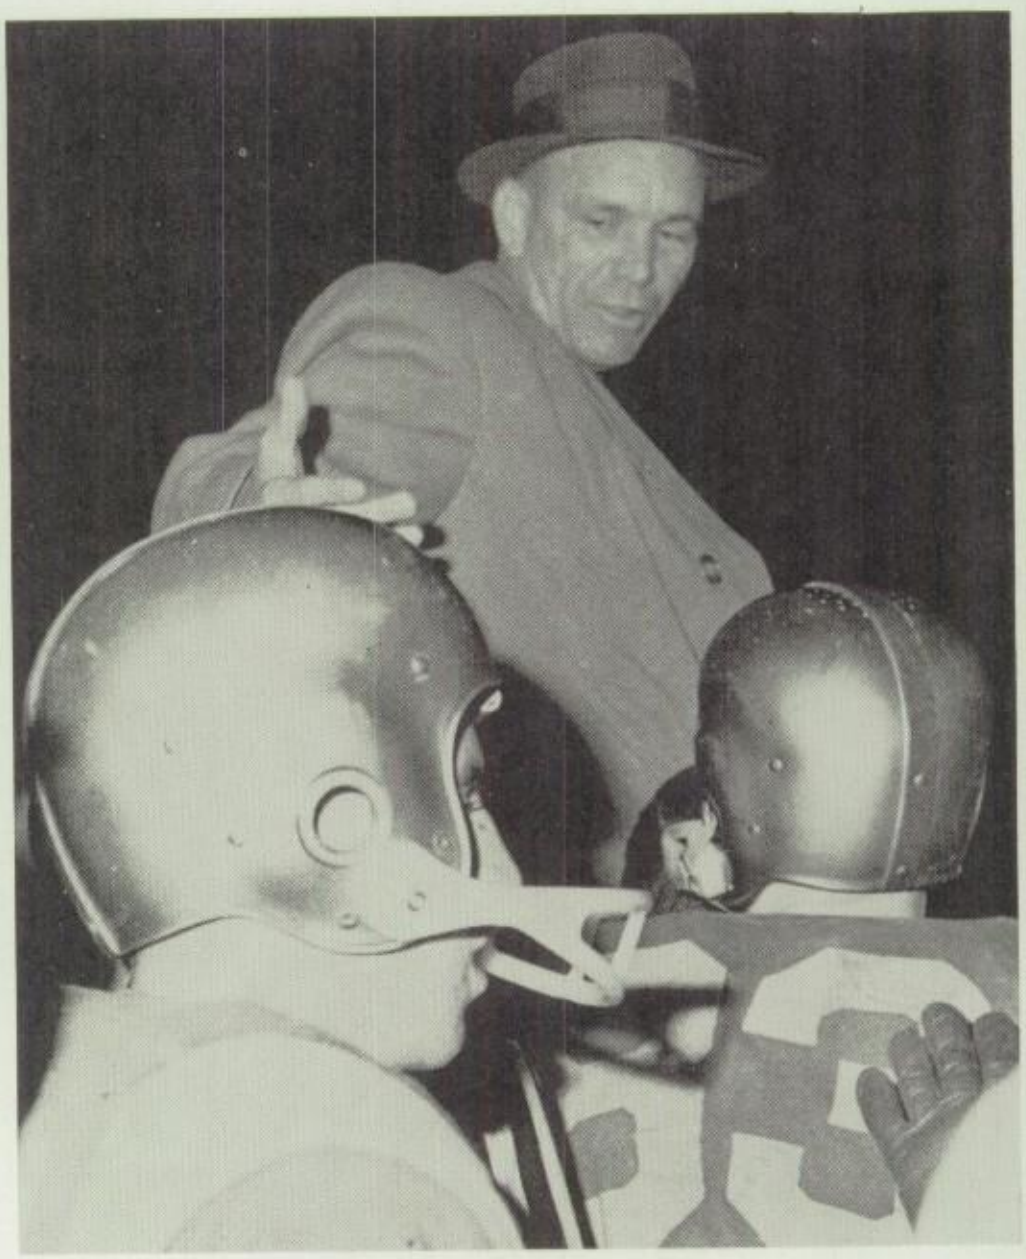
Coach Rooks and Coach Riley are enthusiastically carried off the field after the win over Quincy for the conference championship.



Robert, Juddy, and Harry join Coach Rooks and Coach Riley in admiring the well-deserved conference trophy.

In their hard fought conference winning season the Bulldogs placed an 8-2-1 record on the score board. The opening game of the season was marked by defeat from an experienced Choctawhatchee squad. Marianna's efforts were proven fruitless as they fell to the Indians 25-0.

In their next six games the home team exhibited one of the finest comebacks Marianna has ever seen by defeating Port St. Joe, Chipley, Milton, Tate, Perry, and Walton. In these six games the Bulldogs averaged scoring 28 points per game while holding their opponents to 2. The second and final defeat for the season came from a heart breaking 7-6 battle with Bainbridge. The Bulldogs outplayed their opponent in almost every department but were unable to get the winning points.

Not to be discouraged Marianna came back to upset Ashford's homecoming by defeating them 13-0.

The two closing games of the season were devoted to conference championship play with Quincy. In the first game the two teams fought on a mud soaked field to a 13-13 tie. In their second meeting a decisive victory was made. The Bulldogs triumphed 25-7 and took home the conference trophy.

The team's efforts of the two and a half months of play were crowned with honors both for the players and the coach.

Coach Mac Rooks received the "coach of the year" title with Doug Woodlief being selected as "player of the year," and Dick Hermann being selected as "lineman of the year." Five boys were also awarded positions on the All Big Bend and All State Teams.

BULLDOGS CRUSH PORT ST. JOE

The Bulldogs won their first NWFC game by soundly whipping the St. Joe Sharks, 25-0.

The Bulldogs kicked off to the Sharks but soon took over the ball when St. Joe failed to move. After taking possession Marianna sent Pete Ingram over for the score.

In the second quarter Jerry Brown and Jon McRae were the touchdown boys for Marianna.

In the final quarter the Bulldogs started a drive climaxed by a forty yard touchdown gallop by fullback Pete Ingram, leaving the final score, Bulldogs 25—Sharks 0.

BULLDOGS WALLOP CHIPLEY

Marianna scored in every quarter as they won their second NWFC game. Chipley, previously undefeated, was dealt its first loss, 40 to 0.

Marianna's first offensive play was an 85 yard touchdown gallop by fullback Pete Ingram. The extra point try went wide to the left.

Chipley, after receiving the ball a second time, was still unable to move. Marianna took advantage of this and after a series of fine Bulldog plays, Pete Ingram fought his way thru for the Bulldog's tally.

The second quarter was dominated by the fine running of Jerry Brown and his scoring of two touchdowns.

Jerry also spoke for the third quarter and after pin point blocking rambled for 77 yards for the touchdown.

In the fourth quarter the teams exchanged kicks until Bulldog center, Doug Woodlief, intercepted another Chipley pass on the 50 yard line, Jon McRae ran 26 yards, and on the next play Pete Ingram sped around his right end for the final Bulldog score. The extra point try was good and the score was left at Marianna 40, Chipley 0.

BULLDOGS SHADE MILTON

The Marianna Bulldogs made the Milton Panthers their third straight NWFC victim by defeating them 14-7.

Milton took the opening kickoff but lost possession on a fumble. After an exchange in plays fullback Pete Ingram rushed over for the score.

In the second quarter Marianna and Milton both played the offensive and defensive part several times but Milton's Benton Gracy scored and the extra point made the score 7-7.

Marianna took the kickoff to open the second half. Then, on their offensive play, fullback Pete Ingram took a handoff from Frank and slashed off for a 56 yard touchdown run. Rocky Stone kicked his sixth straight extra point, making the score Bulldogs 14, Milton 7. The fourth quarter was mainly a battle for possession of the ball but Marianna won this round and let the clock run out. The final score was Marianna 14, Milton 7.

BULLDOGS WALLOP WALTON

The Marianna Bulldogs rolled over the Walton Braves by a 60-0 score in the Marianna Homecoming game, making this victory Marianna's fourth straight conference win.

Accounting for the scores were Pete Ingram, two touchdowns, Jerry Brown, two, Flip Cox, two, Jim Lewis, one and Rocky Stone, two. Stone kicked six out of nine points after touchdowns.

BULLDOGS DROP QUINCY 25 TO 7

Marianna cracked over for three touchdowns in the final quarter Saturday night, Dec. 3, for a 25-7 victory over the Quincy Tigers for the NWFC championship before some 3,000 fans.

The two teams had tied for the championship in regulation season play after a 13-13 tie on Thanksgiving night.

The teams left the field at intermission in a 7-7 deadlock and battled through a scoreless third period.

However, the tie-breaking counter came with only four seconds gone in the fourth quarter. Marianna quarterback Harry Frank shot around his left end for four yards to cap a 90-yard march in 12 plays.

About midway in the period Quincy had a fourth and two situation on its own 21 and the Tigers elected to gamble. Quarterback John Andrew Smith was dropped on his 18 and the Bulldogs had another touchdown in just two plays. Jerry Brown went the final four yards with 5 minutes forty-six seconds left in the game.

The M.H.S. cagers, in their 1960-61 season, rolled up fifteen victories with eight defeats. Due to the patient and experienced coaching of Charles Cox the home team handed many defeats to some of their old rivals. Quincy, Walton, Tate, Cottondale fell to the Bulldog tide as it rolled forth.

During the holidays the Bulldogs participated in the Christmas tournament defeating Campbellton and Sneads but were eliminated in the finals by Malone 54-52.

The Bulldogs next year will have their own share of problems at the start with the loss of seven senior members.

The Junior Varsity this season showed that many of the team are ready for that upward step to the varsity squad. With the fine coaching of Mac Rooks and with the continuous enthusiasm of the players themselves the young Bulldogs had twelve wins and five defeats.

Such teams as Malone, Quincy, and Cottondale were on the list of wins.

Coach Ralph Rhodes and the Jr. team had their share of misfortune this season with the losing of six games while winning four. The boys played hard all year and turned out to be fine sportsmen that is in keeping with the Bulldog tradition.

In their second year as an organization of M.H.S., the Pep Club accomplished their role in building school spirit with grand style.

The club sponsored many projects the main one of which was the helping in the fund raising of money for the football banquet. They accomplished this by the selling of Bulldog posters to the students.

Again as in the year before, this group of girls proved to be a fine asset to their school. Their sponsor for the year was Mrs. Lou Ann Keel.

Cheerleaders Demonstrate New Yells

Left: Before school ever started members of the cheerleading squad were busy painting signs which they later placed in the hall to announce each football game.

Below: Captain, Patsy Sims; sponsor, Mrs. Lou Ann Keel; co-captain, Lynn Wolly.

The M.H.S. cheerleaders have received many compliments on the improvements they have made in leading the Bulldogs' cheering section at ball games. To many fans these girls with their bright faces and high spirits are reason enough for attending a game. The squad has also received much praise away from home, some of which came last summer at the F.S.U. cheerleading clinic where they were rated "superior" in competition with other Florida cheerleaders.

The cheerleaders work to promote "Bulldog spirit" before and after each ball game as well as at the game itself. The girls painted signs for the halls to remind students of each football game, planned numerous pep rallies to spur school spirit for important games, but when the student council chartered a bus to an out-of-town game, the cheerleaders were responsible for selling tickets for the ride. All the girls are also active members of the Pep Club.

Mrs. Lou Ann Keel sponsored the cheerleaders until she left at the end of the first semester at which time the new physical education teacher, Mrs. Mertice Ringer, assumed the responsibility.

Activities

There's always something to do at Marianna High School! In school or out the students are always caught in a whirl. Everyone is always on the go. If the juniors aren't making plans for the Junior Review, the seniors are practicing for the senior play.

Everyone seems to be asking the same question, "How will I ever accomplish all the things I have to do?"

Whether it be a dance, an election, a picnic, or a play, it's always a success at M.H.S. Everyone has contributed in some way, whether big or small, to all projects and plans. M.H.S. students have worked endlessly in order to say, "We've helped to make our school a busy school."

M.H.S.'s 1960 Homecoming, one of the most important events in our school year, was the biggest and best ever in the history of the school.

The event was highlighted by four days designated to boost school spirit: "Hey" Day, Color Day, Hush Day, and the traditional Derby Day.

Jarrett Perry headed the committee in charge of planning Homecoming this year. The entire Homecoming committee and Student Council members worked untiringly, planning every phase of this special occasion.

M.H.S. honored the class of 1940 during the activities which included a barbecue, a football game, and a semi-formal dance at the Chipola Hotel.

Every part of this year's homecoming was a great success: the parade, the barbecue, the crowning of the Queen, the victory of Marianna over Walton, and the dance.

1960 Homecoming Queen, Sylvia Strickland, accepts with a smile and "Thank You" the crown and bouquet of roses from Mr. D. C. Sellers. Pete Ingram, her escort, looks on with pride.

HOMECOMING COMMITTEE
Billy Gunn, Velma Keen, Cherry McMullian, Doug Hayes, Jarrett Perry, and Larry Turner count the number of tickets to the Homecoming barbecue they have yet to sell.

Derby Day *Adds Spice To Homecoming Activities*

Derby Day has become a necessary as well as a traditional part of our Homecoming. On Derby Day the spirit and fun at M.H.S. soar. The event creates an atmosphere of confusion and excitement during homeroom as every student struggles to get the particular color derby he wants.

The occasion is accompanied by a spirit of unity and oneness. Both students and faculty alike experience this feeling called the Bulldog spirit, a feeling that lingers with all students throughout this day and every day.

These derbies would lift anyone's spirit.

Don't be so particular about the color derby you get!

Derby Day is the only time hats are permitted inside the halls of M.H.S.

Latin Banquet Maintains Tradition

The Latin banquet is the highlight of the year for all Latin Club members. The banquet is given annually by the Latin I class in honor of the Latin II class and senior Latin Club members. The Latin I class finances the banquet with the money it raises by selling magazine subscriptions.

This year the banquet, an event that makes Latin students glad they take Latin, was held at Hotel Chipola.

Mrs. Stone, sponsor of the Latin Club, does a wonderful job as hostess.

omehow the Latin Banquet has a mood f its own.

All Latin students admire this mural painted by Diana Stevenson.

Junior Review . . . A Night Of Fun

After grueling tryouts and bone-tiring practice sessions, the Rockettes with Bobby Arledge's clown as a back drop open the show. With their dazzling costumes and intricate routines, they delighted everyone, even the choreographer, Bobra Pitman.

"All right, boys," shouts Coach Daffin, "get your b-e-e-e-p out of here and show 'em what ol' M.H.S. has got!"

In the morning, in the evening—"Ain't We Got Fun?" These words and other remarks following the presentation of the 1960 Junior Review seemed to indicate that the review was really "A Night of Fun" as well as a great success.

The apparent success of this year's review didn't just happen, however. It was a product of careful planning and management and hours of thought and work.

The junior class made more money from this year's review than has ever been made before, with the final sum totaling over $500.00.

This year was a wonderful one—and the 1960 Junior Review played a big part in making it so.

Beth Garraway, chairman; Jarrett Perry, talent; Margie Lupo, business; Al Smith, publicity; Lou Daffin, Janet Gray and Sylvia Strickland, Rockettes; J. R. Gortemoller, stage props; and Bobby Arledge, stage art, served as the committee. Mr. Billy Grant, Mrs. Arcola Bevis, Mrs. Billy Wiggins, Mrs. Gladys Knowles, Mr. Bernie Raines, and Mrs. Allene Atwood were junior class sponsors.

With only a few minutes to go before curtain time, back-stage activities reach a fever pitch.

l devil, Harry Frank, delights in tormenting Review performers. and his partner in devilment, Jerry Brown, kept the audience in ches.

Madame FiFi, alias Doug Hayes, demonstrates great bravery and skill in this dramatic performance.

Sophomore-Senior Picnic *Provides Food And Fun*

What a feast! And where are all those greedy sophomores?

Each year the sophomore class entertains the seniors by giving, in their honor, the Sophomore-Senior Picnic. After swimming at Blue Springs, the crowd went to the caverns where everyone played softball and where hard-working mothers and sophomore sponsors served the picnic supper. Following the picnic supper, everyone enjoyed an evening of dancing.

The sophomores worked especially hard to make this picnic one of the most successful ever given for the seniors.

It's amazing how much energy is brought to light outside the school room.

Mary Ann, Mrs. Coutret, Mrs. Majure, and Lewis begin preparation for the long line of hungry sophomores and seniors.

Senior Play *Is Year's Dramatic Hit*

After weeks of practicing and planning, "Spooks," a mystery-farce was presented by the senior class.

The mystery was centered around several main characters including Elliot, portrayed by Jimmy Harley, a tall, slender, well-bred young man; Judy, portrayed by Lyn Carlton, a mysterious-looking elderly colored woman; and Laurette, the young, vivacious, ingenious lead played by Adeline Tindel. Other characters were played by Linda Cook, Paul Harris, Mike McGehee, Willis Coulliette, Jerry Glass, Janis Kay Sims, Robert Willis, and Elvis Barrineau.

Mary Beth Hankins was student director, and Mrs. Martha Parrish was faculty advisor.

"Mr. Boss, is you sure dis is de place you want to go?" Paul and Mike make their appearance as leading characters in the play.

haracters in the play reach the peak of their rformance as the tension of the play increases.

Bobra, Mary Beth, and members of the cast take some last minute glances at lines before the curtain rises.

Junior-Senior Prom

An Evening In The Isles

Hawaiian music, south sea island flowers, a native hut, and palm trees created the atmosphere for "Evening in the Isles," theme of the 1960 Junior-Senior Prom. The juniors worked long and hard to make this year's prom the best ever.

The guests were greeted at the door by Hawaiian natives and taken through a jungle, which led into the ballroom. The soft, swaying Hawaiian music was furnished by Lenny Goss and his orchestra. The highlights of the evening were the Volcanic Visions or Senior prophecies and the Pineapple Promenade, Senior leadout.

This was certainly a night to be remembered—a night that will always linger in our memories.

One of the highlights of the evening was the senior leadout through the bamboo arch. As the seniors were introduced, flower leis were presented to them.

A never to be forgotten evening ends with that one last dance.

The senior prophecies brought serious reactions, some smothered giggles, and even some howls.

All wasn't Hawaiian, for dancing was strictly American and the orchestra put everybody in the mood.

To enhance the atmosphere of "An Evening in the Isles," we even had native girls and boys.

Honors

Here are the leaders at Marianna High . . . the ones we honor—the ones who have found satisfaction in serving others, the ones who have strived to attain knowledge, the ones who have displayed attractive appearances. Whether it has been through their personality, beauty, or brains these students have contributed something outstanding to M.H.S. . . .

Honor Graduates Set High Scholastic Standards

These honor graduates over a period of ur years have maintained high averages nging from 2.5 to 3.0. This year's gradu- ng class has one valedictorian, Joe Butler, no has a 3.0 average, and one salutatorian, hn Roberts, who has a 2.94 average.

The twenty-four honor graduates will lead e Senior class graduation night and will ear gold cords which are significant of the ne academic work each student has ac- mplished.

Outstanding Seniors *Chosen for Leadership*

The 1961 MAJAFLO pays tribute to the outstanding seniors of Marianna High—those who have been chosen by their classmates for their contributions to life at our school.

Their achievements in academics, sports, school and state activities, and service to their school and community have proved these persons to be outstanding.

Here are the people who have worked for the welfare of our school, for service to others, and for you, the students of M.H.S.

Beauty Lends an Air of Elegance

In spite of the confusion, rushing, and studying at our school, the students are always aware of the aspects of life that arouse an appreciation of beauty. Because the students in our school have an appreciation of beauty, the MAJAFLO staff presents the girls selected for this quality they possess.

This has been a year that will be remembered by
M.S.H. students. The Campus Inn, extra-curric-
activities, committee meetings, ball games, report
ls, preparation for college, and our commemora-
of the War Between the States have all played a
in making our busy world. Our world is one of
tement, of anticipation, and of difficulties to be
. This world is our life at M.H.S. Soon these
become memories, and new plans for the future
begin to take shape.

Editor's Letter

The history books have been put away, the yearbook cabinet is empty, and the last pages of the '61 MAJAFLO have been packed in the shipping box. As the staff and I look over the past school year, we recall many hours of fun and work, laughter and tears, spent in the making of this book.

To our sponsors, Miss Gramling and Mr. Grant, we should like to say thank-you for your help and understanding.

This year, because the school enrollment has increased, it has been necessary to add more pages to the MAJAFLO. Without the help and support of you, the faculty and student body, we should not have been able to finance these additional pages. Also you have made it possible for us to reach above our sales goal of 600. For these reasons, we, the MAJAFLO staff, express our deepest appreciation to you for your co-operation.

In years to come, we hope that through the '61 MAJAFLO you will recall fond memories of M.H.S.
